This bid proposal shall be for all labor, material, equipment, and accessories necessary to complete the roof work as described herein.

Any and all questions regarding this bid are to be directed to HUEBER-BREUER.
Sean Foran sforan@hb1872.build

It shall be the responsibility of each contractor submitting a proposal for this work to have reviewed and become fully familiar with all drawings, and all work for this project. In addition, each contractor should visit the jobsite and become fully familiar with the work, the jobsite conditions, its access, and its limitations. There will be no revisions to the respective contractors for lack of inclusion of items in this or the preceding paragraphs of the Bid Proposal.

The Contractor shall be responsible for compliance with all applicable safety and health regulations including the most stringent interpretations of OSHA standards.

The insurance requirements of the Village of Oxford are applicable to this project. Each Contractor shall have the appropriate coverage prior to the start of any work. The costs of any premiums for this specific insurance coverage shall be included in the Base Proposal.

This project is nontaxable.

The project is a prevailing rate job.

BIDS ARE DUE FRIDAY NOVEMBER 17TH, 2023 AT 2 PM.

The Owner reserves the right to reject any or all proposals.

Bidder acknowledges receipt of the following addendum:
